

DWIC2026 DELEGATE REGISTRATION AND ROLLOVER POLICY – ISSUED 21.10.2026

DWIC2026 is currently planned to proceed on 8–10 December 2026 in Dubai.

We recognise that the evolving regional situation may create uncertainty for some delegates and their organisations. We remain committed to keeping delegates informed and providing a clear process should travel to DWIC2026 become difficult.

If you are unable to attend DWIC2026 due to circumstances directly related to official travel advice, a formal company travel restriction or significant travel disruption, you may request to transfer your registration to DWIC2027, scheduled for April 2027.

To request a rollover, please contact the DWIC team and provide the relevant supporting information, which may include:

- The applicable Foreign, Commonwealth & Development Office (FCDO) travel advice.
- Written confirmation of any relevant company travel restriction.
- Details of any significant flight cancellation or other travel disruption affecting your ability to attend.

Each request will be reviewed individually against DWIC's rollover eligibility criteria. **A transfer to DWIC2027 will only be confirmed once your request has been reviewed and approved by the DWIC team.**

We encourage all delegates to consult their organisation's travel policies, review the latest official travel advice and make informed decisions based on their individual circumstances.

DWIC2026 remains focused on bringing the international insurance and reinsurance community together in Dubai this December. We will continue to monitor developments and communicate any material changes to our plans.
